## Army Hockey Tailgate (v. Bentley)

The Army hockey team was treated to a post-game tailgate party after a superb showing on the ice on Friday's 20 November game. Army hockey head coach Brian Riley switched up his lines to increase the offensive production of his team and had outstanding results. Cody Omilusik of Traverse City Michigan, had his first career hat trick as Army skated past Bentley, 5-1, Friday night in a matchup at the John A. Ryan Skating Arena, in Watertown, Mass.

Coach Jack Riley, Army Hockey Head Coach (1951-1986), was also at the game and joined us at the tailgate across the road at the Watertown Sons of Italy facility. The Sons of Italy enabled the WPSNE to have an attractive location with great amenities for all to relax celebrate the win. The tailgate was a great success with a wonderful spread of food, drinks, and camaraderie among old grads & families. We did have to hold Dale back from breaking out with a Rocket- it's not the typical hockey style.
